

Ascension Consulting owns multiple businesses and is currently looking to hire some part, or even full-time interns to work with us primarily on our most prominent venture, The Wholesale Formula.

The Wholesale Formula is an elite training program that has taught over 3,500 students all over the world how to start their own eCommerce business. As we continue to grow, we're looking to bring on new members to our team, short-term or long-term, who can help us manage every day tasks.

While I can't give a firm description of the duties we're looking for, I can tell you that we're open to considering almost anyone that you feel shows potential. We're looking for someone who is willing and quick to learn new things, has great drive and a willingness to excel, who is resourceful yet not afraid to ask questions. It's a bit of a drive from Richmond, but we're willing to pay for the right fit.

Our office is located in Corbin, right in the heart of downtown. It currently holds nine employees, some of which are on The Wholesale Formula team and some of which work for our Amazon business. We have a super laid-back culture here. We dress down to work since we don't see customers face-to-face, have flexible 10 a.m. - 6 p.m. hours, and a very fun atmosphere.

Please send your resume to [tana@ascensionconsulting.com](mailto:tana@ascensionconsulting.com) if you're interested in getting more details about an internship.
